Plastic Pails

The Next Step in Packaging Your Products

Packaging Logistics offers a large variety of plastic pails that are suitable for various dry products, including pet foods, detergent, bird seed, ice melt, flour, rice, and beans. Most pails are conveniently stackable and designed with built-in handgrips or handles for easy portability. The EZ Store Containers and Square Pails offer a new pull tab and peel strip for easy opening. These sturdy containers have hinged covers and snap down for secure re-closure. Open Head Pails are available with or without covers.
