# Plastic Tubes

The Next Step in Packaging Your Products

---

Packaging Logistics is pleased to offer a wide variety of plastic tubes. Plastic tubes are an economical way to package your products. Tubes are airtight, leak-proof and offer UV protection. Durable and non-breakable, tubes go back to their original shape after squeezing and retain their smooth appearance through multiple uses. Offered in variety of colors and materials, and added with your creative artwork, tubes allow you to differentiate your product from others in your market.
